# Save time and money

## Super high yield ink cartridges

With the MFC-J1300DW you get enough in-box ink to last for three years\*. You can rely on this 4-in-1 printer to do its job while you concentrate on yours.

## Connect from anywhere

If you require a multifunction printer that allows multiple users to connect, quickly and easily, from a variety of different devices, look no further. The MFC-J1300DW not only offers a built-in wireless network it also provides wired LAN, mobile connectivity and near field communication (NFC) so printing from mobile devices could not be easier.

## Multi-tasking made easy

As well as automatic 2-sided printing, allowing you to save time and resources, the MFC-J1300DW boasts a 20 sheet automatic document feeder (ADF). You can now load your document and let it scan or copy while you complete other, more important jobs.

## Smart, yet straightforward

As well as being a true all-rounder with print, copy and scan capabilities, the MFC-J1300DW is also designed with the user in mind. With a simple setup process and user-friendly 6.8cm LCD touchscreen to navigate jobs you'll be up and printing in no time, with minimal time lost.
